Dear Chris & My Big Event,

We would like to personally thank you for your printing services for our Wedding Celebrations on Sunday 30th April 2006.

We were looking for something professional and inexpensive in our Invitations, place cards and Order of service booklets.

You're very helpful and quick service is exactly what we needed. With as many design options as you have and as many extras to add converted our thoughts into reality.

Having you go that extra mile for us may not seem much effort for yourself but it meant a great deal to us. It's hard to get the old fashioned customer service these days and you exceeded our expectations greatly.

All our guests we have spoken to since our Wedding have said how professional everything turned out on print and think highly of MY Big Event personally as well.

We would have no hesitation in recommending you for your printing services in the future to anyone who may ask.

Our day went so quick with so many memories to treasure for years to come and having your service was a blessing.

Again we sincerely thank you for all your assistance and great service on what is and will be one of the best times of our lives.

Many thanks

Brett & Angela Stephenson
